☐ Yes (If yes, attach a copy of the Correction Order.) ☐ No

Has a violation been issued?

☒ Yes (If yes, attach a copy of the Violation and answer the following.) ☐ No

Violation issued by:

☒ Local Building Department ☐ State Fire and Building Code Enforcement Section ☒ Local Fire Department

7. DESCRIPTION OF REQUESTED VARIANCE

Name of code or standard and edition involved

IMC 403

Specific code section

Roof Top Mechanical access

Nature of non-compliance (Include a description of spaces, equipment, etc. involved as necessary.)

Original approved plans submitted to both State & City reflected a basic railing around HVAC rooftop Units. We have since been advised we need full Platform and ladder & Railing system estimated to cost in Excess of \$30,000. This was an existing building and some HVAC was existing and one was added. The design of the roof did not change from existing & the Starbucks & gas station that are adjacent have no railing or platform around their rooftop units. Requiring us to add this now, would possibly force us into closure as we cannot afford to add something to this existing business that clearly was not a requirement when the adjacent tenants did their build out.

8. DEMONSTRATION THAT PUBLIC HEALTH, SAFETY, AND WELFARE WILL BE PROTECTED

Select one of the following statements:

- ☒ Non-compliance with the rule will not be adverse to the public health, safety or welfare; or
- ☐ Applicant will undertake alternative actions in lieu of compliance with the rule to ensure that granting of the variance will not be adverse to public health, safety, or welfare. Explain why alternative actions would be adequate (*be specific*).

Facts demonstrating that the above selected statement is true:

Ok for Temporary Certificate of Occupancy

9. DEMONSTRATION OF UNDUE HARDSHIP OR HISTORICALLY SIGNIFICANT STRUCTURE

Select at least one of the following statements:

- ☐ Imposition of the rule would result in an undue hardship (*unusual difficulty*) because of physical limitations of the construction site or its utility services.
- ☐ Imposition of the rule would result in an undue hardship (*unusual difficulty*) because of major operational problems in the use of the building or structure.
- ☒ Imposition of the rule would result in an undue hardship (*unusual difficulty*) because of excessive costs of additional or altered construction elements.
- ☐ Imposition of the rule would prevent the preservation of an architecturally or a historically significant part of the building or structure.

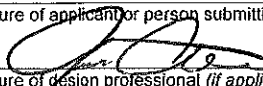

Facts demonstrating that the above selected statement is true:

INSTRUCTIONS FOR APPLICATION FOR VARIANCE

Part of State Form 44400 (R7 / 10-13)

INDIANA DEPARTMENT OF HOMELAND SECURITY
CODE SERVICES SECTION
302 West Washington Street, Room W248
Indianapolis, IN 46204-2739
http://www.in.gov/dhs/fire/fp_bs_comm_code/

INSTRUCTIONS:

A variance application, accompanied by the required fee and all other required documents, shall be submitted to request a variance from a particular section of a fire, building or other code or standard adopted by the Fire Prevention and Building Safety Commission. See Indiana Code 22-13-2-11 and 675 IAC 12-5.

A separate variance application is required for each unrelated code provision* for which a variance is being requested.

A. VARIANCE APPLICATION

The following information is required:

1. **Applicant Information:** The applicant is the person who would be in violation of a rule of the commission if he or she maintained the conditions sought to be legalized by a variance and did not obtain the variance. This person is usually the owner of the premises in question. If the applicant is a corporation, a governmental body, or any other type of legal organization, include the name of this legal organization, as well as the name and telephone number of the organization's contact person.
2. **Person Submitting Application on Behalf of the Applicant:** The name, address and telephone number of the person submitting the application, if the applicant is not the person who is submitting the application. If the person is a corporation, a governmental body, or any other type of legal organization, include the name of this legal organization, as well as the name and telephone number of the organization's contact person.
3. **Design Professional of Record:** The name, license number, address and telephone number of the design professional for the project (if there is one). A design professional is defined as registered architect or professional engineer registered under Indiana Code 25-4 or Indiana Code 25-31, respectively. If applicable, provide the name of the organization for which the design professional works.
4. **Project Identification:**
 - (a) **Project Name:** A name that will allow the Department to readily identify the project.
 - (b) The State project number, if the variance involves a project for which plans and design specifications have been filed for a construction design release under 675 IAC 12-6.
 - (c) The address of the premises for which the variance is being sought.
 - (d) The county of the premises for which the variance is being sought.
 - (e) The type of the project. Indicate whether the variance is being sought for new construction, an addition or alteration to an existing structure, a change of occupancy of an existing structure, or an existing structure that is none of the above.
5. **Required Additional Information:** To apply for a variance, the following shall be submitted with the application:
 - A. A \$276 check made payable to the **Indiana Department of Homeland Security** for the application filing fee (\$138) and the processing fee (\$138) for a single code provision, together with an additional fee of \$69 for each additional unrelated code provision*, where applicable.
 - B. One (1) set of plans or drawings and supporting data that describe the area affected by the requested variance and any proposed alternatives.
 - C. Written documentation showing that the local fire official has received a copy of the variance.
 - D. Written documentation showing that the local building official has received a copy of the variance.

* An "unrelated code provision" is a provision of an adopted code or standard that covers subject matter that is not contingent upon or directly affecting the requirements of a different code provision for which a variance is being sought by the same applicant at the same time.
6. **Violation Information:**
 - (a) Indicate if the request for a variance is a result of correction order issued by the Plan Review Section of the Division of Fire and Building Safety. If so, include a copy of this correction order.
 - (b) Indicate if the request for a variance is a result of a Notice of Violation/Order. If so, indicate the entity that issued the Notice of Violation/Order and include a copy of this Notice of Violation/Order.
7. **Description of Requested Variance:**
 - A. Include the name of the Code or Standard, as well as the edition. (For example, *Indiana Building Code, 2003 Edition*)
 - B. Include the specific code section for which the variance is being requested. (For example, *Section 1005.2.3*)
 - C. Describe why the variance is needed (*what conditions exist that constitute a violation*).
